Dear Ms Gilbert

Together we have remarkable opportunity each and every day to make Queensland an even better place, to create opportunities, tackle challenges, and deliver for hardworking Queenslanders.

Easing cost-of-living pressures, delivering better healthcare and more housing, and keeping our communities safe are core priorities that we are all responsible for driving regardless of which portfolio we lead. Collectively, we must also focus on safeguard Queensland's future by lifting our ambition on climate action, while supporting new industries and creating jobs where they are needed most.

This letter outlines a range of delivery priorities in your portfolio, which I know you will work relentlessly towards achieving.

As Assistant Minister for State Development, Infrastructure, Industrial Relations and Racing, I ask you to work with the Minister for State Development and Infrastructure, Minister for Industrial Relations and Minister for Racing to assist in leading consultation with industry sectors to develop new initiatives for employment, overseeing implementation of the *State Infrastructure Strategy 2022* and maintaining the integrity of a sustainable racing industry. I also ask you to assist in ensuring the Brisbane 2032 Olympic and Paralympic Games delivers for Queenslanders and builds a legacy for our communities that will last for generations.

At all times, I expect that ministers and assistant ministers will make all decisions and take all actions in the public's interests, without regard to personal, party political or other immaterial considerations. We cannot achieve our goals for Queensland without the public service, and I expect that ministers, assistant ministers and their staff will engage with chief executive officers and departmental staff with the utmost respect and in accordance with *The Queensland Ministerial Handbook*, Ministerial Code of Conduct, Code of Conduct Ministerial Staff Members' and the Protocols for communication between ministerial staff members and public service employees. I refer you to *Governing Queensland* for the suite of policy and administrative handbooks, which is available on the Department of the Premier and Cabinet's website at www.premiers.qld.gov.au and click on (1) 'Publications', (2) 'Policies and codes', scroll down and then click on (3) 'Governing Queensland—government handbooks'.

I look forward to working closely with you to deliver better services and create opportunities for all Queenslanders.

Yours sincerely
