Dear Ms Gilbert 

On 11 December 2017, I announced a new Cabinet team to reaffirm our commitment to Queenslanders to provide a strong, stable majority Government, and to drive the Queensland Government's policy agenda which prioritises jobs, health and education.

We will work closely together advancing Queensland to create jobs in a strong economy, ensure a great start for our children, improve the health of Queenslanders, support safe communities, protect the Great Barrier Reef and ensure a responsive Government.

Queenslanders have entrusted us with providing principled and stable government, and delivering on the promises we have made. It is critical that we work hard to prove ourselves worthy of this trust

For this reason, I write to outline the delivery priorities to meet our Government's commitments. As Assistant Minister for State Development, I ask you to work with the Minister for State Development, Manufacturing, Infrastructure and Planning to assist in building regions, stimulating economic growth and enabling responsible development. For many of these delivery priorities, it will be essential that you work closely and constructively with your colleagues.

I expect that at all times Ministers and Assistant Ministers will make all decisions and take all actions in the public's interest without regard to personal, party political or other immaterial considerations. I refer you to *Governing Queensland*, on the Department of the Premier and Cabinet website at www.premiers.qld.gov.au/publications/categories/policies-and-codes/handbooks.aspx, for a suite of policy and administrative handbooks.

I look forward to working closely with you to deliver great outcomes for Queensland.

Yours sincerely
